Benefits:	Flexibility, supportive working environment, a diverse and interesting work scope

# Introducing DMC

---

DMC Healthcare is a national provider of clinically-led health services to the NHS. Our values are rooted in the positive care Dr Gupta committed to providing to his patients in the GP practice he set up in 1967.

50 years later, our focus remains on replicating that very simple ethos.

Our shared mission is to **deliver healthier outcomes**, for our patients, our own team, and for our commissioners. We aim to demonstrate on a day-to-day basis our values through our actions and our words.

# Our core values

---

## **Functional**

Pioneering, clinically-led, bespoke, can-do

## **Comparative**

Family-led, long heritage of NHS delivery, patient care before profit, cost-effective

## **Emotional**

People-centred, responsive and responsible, trustworthy, credible

Delivering Healthier Outcomes

# Community Services

---

DMC Community Services delivers a wide range of NHS community services across England. We are seeking a number of can-do, trustworthy healthcare assistants who share our people-first approach to patient care, to join our newly procured dermatology and minor surgery service Fulham, south west London.

# Job description

---

- Purpose:
  - To deliver healthier outcomes for NHS patients living in Fulham
- Role and responsibilities:
  - To assist the consultant dermatologist in the day-to-day operation of community outpatient clinics.
  - To ensure equipment and consumables are available for the clinic and in working order.
  - To organise the setup of each clinic, ensuring everything is prepared prior to the clinic date, to manage, record and process patients personal data. To be the first point of contact to patients and offer excellent customer service.
- Requirements
  - Preferable but not essential:
    - Previous experience
  - Essential
    - A commitment to providing customer-focused, patient care
    - A full, clean driving licence

# Work with us, and we will make it work for you

---

1. You'll be part of a passionate and dedicated team. We work together towards a common purpose – to deliver healthier outcomes - whatever our role.

2. We recognise a flexible approach is important to work with the challenges of 21<sup>st</sup> century life.

3. We'll give you an opportunity to grow through structured, professional training, an interesting and diverse scope of work – always aiming to make a difference.

# Thank you

---

Thank you for your interest in DMC Healthcare – a team of more than 250 professionals committed to delivering healthier outcomes for people across the country. [To apply or for more information, please contact Sabina 020 7635 1029](#)
